Dear Friend:

Thank you for your interest in my logo creation service. I won 17 national awards for my designs and I guarantee that you will be delighted with the design I create for you. If you aren't, I'll revise it until you are, or charge you nothing.

It's so easy to acquire a truly professional corporate logo. Just complete the one page form and fax it back to me. In about 48 hours you will receive an e-mail with attached sketches. At this point, you can call me and discuss the work or respond via e-mail. I will value your input and help you fine-tune the design to your complete satisfaction.

Once you agree it is exactly what you want, you'll receive a compact disk with:

1. A full color version of your logo in:
 - A. An EPS file. Your printer will use this for high resolution reproduction,
 - B. A TIFF file. You'll use this to print documents to your office printer,
 - C. A JPEG file, You'll use this on your website and in your e-mail,
